# Get a Clue!

A detective's job is to solve a case. Many times they ask themselves the "5 W" words (Who? What? Why? Where? When?).

**Directions:** Help Detective McSmogg solve his case of trying to find Miss Nelson. Answer the five questions, using complete sentences.

1. **WHO** reported the case? \_\_\_\_\_  
\_\_\_\_\_

2. **WHAT** was the problem? \_\_\_\_\_  
\_\_\_\_\_

3. **WHY** was it a problem? \_\_\_\_\_  
\_\_\_\_\_

4. **WHERE** did the problem occur? \_\_\_\_\_  
\_\_\_\_\_

5. **WHEN** did the problem occur? \_\_\_\_\_  
\_\_\_\_\_

**Directions:** Pretend you are Detective McSmogg and write about what you would do to solve this case. Use the back of this paper if you need more writing space.

# Lunch at Lulu's

The kids were all hungry after watching *The Monster That Ate Chicago* so they headed to Lulu's for some lunch. They quickly read the menu and ordered their lunches.

**Directions:** Read the menu and then solve the word problems.

- Demarco Hill ordered 1 Texan Hamburger, 1 bag of Ranger Pretzels, and a Coyote Juice. How much did he spend? \_\_\_\_\_
- Sara Sutton had a Bronco Hotdog, 4 dips of ice cream in a cone, and 1 Mustang Milk. What was the total cost of her lunch? \_\_\_\_\_
- Tim Chang ordered 1 Cowboy Chicken, 2 Cowpoke Chips, and 1 Mustang Milk. How much did he have to pay? \_\_\_\_\_
- Marina Beech had 1 Texan Hamburger, 1 Stetson Apple, 2 dips of ice cream in a cone, and 1 Cowpoke Pop. How much did Marina spend in all? \_\_\_\_\_
