# Write About It

## Literacy Skill

- writing

## Student Grouping

- center
- independent

## Materials

Each student will need the following:

- 1 card from a pre-cut set of Topic Cards (pages 85 to 95)
- 1 pencil
- paper or writing journal

## Directions

Have each student do the following:

1. Choose a topic card that interests him or her. (Example: baseball)
2. Write a story about the object on the card. (Example: I play baseball with my friends. We like to hit the ball.)

## Helpful Hints

- These cards work great when students cannot think of anything to write about.
- Cut and laminate the cards for durability.
- Locate in an easily accessible area for students to use at any time.
