Pronouns

Name _____

Grammar BLM

53

Pronouns are words that take the place of nouns.

1. Circle all the pronouns.

One day, when I was out walking with some friends, I saw Billy and Ned crossing the road outside their house. They said they were going to the park. We said we would go with them, so Billy ran back inside to get her football. She said we had to be careful with it because it was a present from her uncle who was a famous football player.

2. Add a pronoun in each space.

a. Susan left _____ in the classroom.

b. Ian said _____ could run faster.

c. The cat was licking _____ fur.

d. There is the dog _____ bit the mail carrier.

e. We did not know _____ had stolen the money.

f. Katy told me that _____ was leaving right away.

g. Scott and Maggie lost _____ keys.
